

WINTER WORKSHOP STUDENT SURVEY

We're so happy you were able to join us for Winter Workshop!

As volunteers committed to this event, we strive to provide the best workshop experience we can – but we know there's always room for improvement. Please take a few minutes to answer the following questions about your recent Winter Workshop 2020 experience.

Please return completed surveys to winterworkshop@fsgne.com, or mail to: Dennis Fair 431 N. Atlantic Ave DeLand, FL 32720.

General:

1. If this was your first Winter Workshop, how did you hear about it?
2. If you've attended other Winter Workshops, how did this year compare?
3. Was our website clear and easy to navigate?

If not, what changes would improve it?

Did it contain the information you needed? (accurate course descriptions, adequate supply lists, sufficient general information regarding the facility, maps, etc.)

4. Did we answer your email questions and concerns promptly and with helpful responses?
5. What can we do to improve our communication in general?
6. How does Winter Workshop compare to workshops you've taken elsewhere?

Your Instructor:

1. Which class did you take?
2. Did this class meet your expectations?

Would you suggest this class/instructor to others?

If "yes," tell us what you valued about the experience.

If "no," please tell us what fell short of your expectations.

3. Would you like to take another class with this instructor?

If so, what topic?

What qualities did this teacher have that would bring you back for another class.

If not, please explain why not. Did you bring your concerns to the attention of the instructor (or volunteer) during the workshop and were they addressed?

Your Classroom:

1. Did your classroom have the equipment you needed?
2. If not, did the workshop volunteers attempt to remedy any shortcomings?
3. Was your classroom a pleasant place to work? If not, explain how it might be improved?

(Keep in mind we only lease Atlantic Center for the week, so we aren't able to make changes to the property—but we can consider changes to the way we use the space we lease)

The Facility in General:

1. What is your impression of Atlantic Center for the Arts?
2. Would you enjoy going to another workshop there?
3. If you stayed on-site, were you satisfied with the accommodations? Was the housing accurately described on the application and website?
4. If you stayed in nearby lodging, would you tell us where and describe your level of satisfaction with your choice?
5. Were you satisfied with the meal service?

If not, did you bring your concerns to the kitchen staff or to workshop volunteers during the workshop? What could be done differently?
